Denis and Stephen -

We received limited information from the homeowners and were not able to perform a pre-sampling check of the home. Based on the initial information received, we are planning for both a wellhead and tap sample. However, as you know, this could change based on what we find in the field.

Thanks - Kelley

Kelley,

For the sampling at Ex. 6 - Personal Privacy on Thursday, do you know if we are collecting both a wellhead and a kitchen faucet sample?

Thanks.
